P.2

It may be proper, before we insert the Records of the Chh, just to observe, for the sake of posterity, that after Mr. Avery's dismission, the Chh. was sometime destitute of a Pastor, and very small. After this there came among them one John Eliot, and a pretence being made that there was no Chh. in this place, a Chh. was formed, over which he was ordained. But, his conduct being unsuitable, after about three months from the time of his ordination, he was dismissed. Mr. Avery's Chh. though very small, still remained in existence. After this the Chh. remained destitute of a Pastor, till the year of our Lord, one thousand seven hundred and eighty five when on June 16th Mr. Elisha Fish was ordained over them as their Pastor. The Chh. having passed through so many changes, the Records were, consequently by this time, in very great disorder, several Chh. votes being only on loose papers. This being the case Mr. Fish, at a Chh. meeting holden at the meeting house in Windsor, on June 21st 1785, procured a vote authorizing him to purchase a Book for the purpose of keeping the Records of the Chh; and that he be further authorized to-----transcribe -----the present Records into said Book. Accordingly he

P.3 procured the Book in which the Records now stand. He thought proper, in this place, to give this account, that posterity may know, in some measure, what has been the situation of this Chh. in its first stages.

Confession of Faith agreed upon by
The Chh. of Christ in Windsor

We believe that there is one God, who is the only living and true God; who exists of himself, without beginning or end, infinitely perfect and glorious, and unchangeable in his being and perfections. That he is independent and all-sufficient, and that all things else depend wholly on him, as their Creator, Preserver and sovereign Disposer of them.

That this one God subsists in a mysterious and incomprehensible manner in three persons, distinguished in the holy scriptures by the Father, Son and Holy Ghost, that these three persons are one God, and equal in all divine perfections and glories.

That God has made a particular revelation to mankind, in the holy Bible, which is a perfect, sufficient and unerring rule, given by inspiration from God, and is the only rule to be relied on in matter of religion.

That God exercises a moral government over his rational creatures, in giving law to them, and in finally judging and rewarding and furnishing them, according to his

holy law: That this law is an eternal, most perfect rule of righteousness, requiring perfect persevering obedience on pain of eternal damnation.

That God made man at first perfectly holy and happy, and appointed Adam, the first Parent of mankind, to the head and representative of all his natural posterity; so that they should be happy in his obedience, if he persevered in perfect holiness, or fall with him into a state of sin, guilt and utter ruin, if he should transgress God's law.

That our first Parents sinned; and in consequence of this, according to God's holy and wise constitution, all mankind, their natural posterity, are born in a state of sin and guilt, and are become justly deserving of God's wrath and curse forever.

That God has, of his mere sovereign free grace, found out, and entered on a method to serve man from the state of guilt and sin in which he naturally is, so as at the same time to maintain the honor of his law and government by a Mediator.

P.31 That this Mediator is the second person in the adorable Trinity, the eternal son of God, who, by taking the human nature into a personal union with himself, is become truly man, and has in our nature, suffered the curse of the law, and yielded a perfect and glorious obedience to it in man's stead.

That having made expiation for sin by his sufferings, and brought everlasting righteousness by his obedience, he rose from the dead, and ascended into the heavens, and is seated at the right hand of God the Father, to reign as King of heaven and earth, till all things shall be put under his feet; and is able to save all who come to God by him.

That everyone who believes, and truly trusts in him, or accepts of him as he is offered in the Gospel, shall be pardoned and received to favor, however guilty

and unworthy himself, purely and only on account of his merit and worthiness; being imputed to them who are united to him by a living faith.

That they who once believe in Christ are certainly entitled to everlasting life, and shall assuredly persevere in faith and holiness to the end; this being promised in the Covenant of grace, to all who lay hold of it.

That man is so far sunk in sin and darkness, being wholly corrupt, and an enemy to God and the gospel, that he will not, of himself, repent and believe in Christ Jesus whatever external means are used with him, but must be brought to this by the powerful influence of the Holy Spirit; by which a new heart is given, or a principle of true holiness is implanted.

That no sinner, by anything he does, lays God under any obligation to grant him his regenerating grace; but God always bestows this, when he grants it, as an unpromised, free sovereign gift, as having mercy on whom he will have mercy, and leaving whom he will to blindness and hardness.

That though believers are by Christ delivered from the curse of God's law, yet their obligations to perfect conformity to its precepts are not in the least removed, they therefore will not be sinless till they are brought to perfect obedience to God's law, which none attain to in this life, but are sinfully defective in all their holy exercises and actions.

That as all the promises of the gospel are made to truly holy exercises, and none but such, none can have any evidence of their interest in Christ, but by a consciousness of their own holy exercises; and by coming to a certain knowledge of the holiness of their exercises as they may, they can obtain an assurance of their own salvation.

P.32 That Jesus Christ has a true church in the world, which he will maintain and build up, until it shall be brought to its perfect and most glorious state.

That at the last day Christ will raise the dead, and judge the world; and doom the wicked to everlasting destruction, and receive the redeemed to the happiness and glory of his eternal Kingdom,

Signed by the Chh.

The Covenant of the Chh of Windsor

We looking on ourselves indispensably obliged to acknowledge Christ before men, and unite with him visible Chh. on earth, Do now, publicly and solemnly avouch the Lord Jehovah to be our God, and do, so far as we know our hearts cheerfully devote ourselves to him through Jesus Christ.

We renounce the service of sin and Satan and make choice of the true and living God to be our Eternal Portion.

Sensible of our blindness, infinite guilt and wretchedness, we choose Christ as our divine Teacher, and rely on his merit and worthiness alone for pardon and acceptance with God, and receive the Holy Spirit as our Sanctifier, heartily embracing, the great salvation revealed in the gospel.

We take God's holy word to be our only rule of faith and practice; and solemnly engage, by the help of his grace, sincerely to comply with all its injunctions. And we promise to maintain and constantly to attend upon, all the institutions and ordinances of the gospel, particularly public worship; the strict observance of God's holy sabbath, and the sacraments of the New Testament. And we engage to maintain family and secret religion; and faithfully to instruct, educate and govern, our children, and all that shall be under our care.

We also covenant with one another to walk together in this sacred relation in all mutual helpfulness, watching over and
.35 admonishing one another,

and to maintain the instituted discipline of Christ's Chh. and meekly submit to it.

And we promise to walk orderly in all things, so as to give occasion of offence to none. And we do now publicly espouse the cause of Christ, and finally engage in his interest; promising to be faithful in the same, and to endeavour to promote it in all proper ways, especially seeking to recommend our holy religion to all by one constant practice of true godliness and all christian virtue.

All this we do in our humble dependence on Jesus Christ, praying that he would enable us to be faithful in his covenant, strengthening us unto every good work to do his will, working in us that which is well pleasing to him, to whom be glory forever and ever.

Amen

The following Record ought to have been transcribed before the Record of members received since the dismissal of Mr. Avery, But by the disorder of the Records it has been overlooked hitherto; it may therefore be proper to insert it here. Which is as follows:

At a meeting of the Chh of Christ in Gageborough, convened in the house of Capt. Convers, Mr. Avery moving that the Pastoral Relation he stands in to this Chh. may be dissolved, and giving his reasons for this motion, the Chh, agreed to give him the following dismissal and recommendation viz:

To all whom it may concern, greeting.

Whereas it appears that the Lord, in the course of

his wise and disposing providence, has opened a wide and effectual door for the ministerial labors of the Rev: Mr. David Avery, our Pastor, in the army of the United States; and he soliciting that the Pastoral Relation he stands in to us may be dissolved, that he may be at liberty to act according to his highest views of usefulness in that great department, although it is very trying to us to think of parting, seeing there is no matter of grievance subsisting between us; but great love and christian friendship; yet we judge it our duty to assent to the dissolution of said Relation, and it is accordingly dissolved.

- P.40 Upon this occasion, it is with pleasure, we embrace the favorable opportunity of recommending Mr. Avery to the Chhs of Christ and religious denominations wherever he may go, as a skillful and faithful minister of God's Kingdom, a man of unblemished character, having executed his office among us with fidelity and zeal.

That he may be continued a burning and shining light, enjoy much of the divine presence and blessing: and at last reap the reward of those who turn many to righteousness, is the sincere and ardent prayer of his most cordial and most affectionate Friends and Brethren in the Fellowship of the gospel.

4. Voted that we will admit no person into our Chh. who has never before been a member of a Church, unless such person be willing to acknowledge and consent to the confession of faith and covenant which we have adopted, and be of a sober life and conversation, and manifest to the satisfaction of the Chh. saving acquaintance with the mysteries of godliness, by a verbal relation before them of christian experience.
5. 2. Voted that our Brethren Stephen Warren and William Foster be a committee to serve said Brother Cleveland with a copy of the complaint laid against him, and of the following admonition, viz:

To our beloved Brother William Cleveland the Chh. of Christ in Windsor sendeth, greeting. Whereas a complaint has been laid before us by our Brother Stephen Warren against you, and supported, for having for some time past absented from public worship, and from communion and the reasons you have assigned appearing to us no weight, we take this opportunity, and this method to admonish

you, as a Brother for your neglect. We therefore now, in the name of Christ, warn you to attend immediately to your duty in the above articles, and let your light shine before men. To neglect duty is criminal, breach of covenant is therefore, as you would avoid the displeasure of the Chh. and of Christ himself, we again call on you to return to P.44 your duty and make satisfaction to the Chh.

Attest Elisha Fish, Pastor

Windsor, December 31, 1787

At a meeting of the Chh. of Christ in Windsor convened at the request of our Brother William Cleveland, who is under censure, Said Brother Cleveland, and agreed to make satisfaction to the Chh. by a public confession of the fault for which he has by them been duly admonished. Attest Elisha Fish, Pastor

At a Chh. meeting Windsor, April 8, 1790 a complaint was exhibited to the Chh. by our sister Sarah Safford against Prudence Hutchens, and it was then voted that Prudence Hutchens be cited to attend a Chh. meeting next Thursday at 2 o'clock P.M. and answer to said complaint.

Windsor, May 13, 1790

At a Chh. meeting convened by adjournment to attend to a complaint exhibited against Prudence Hutchens by Sarah Safford; said Prudence appeared, and the complaint was attended to; but it appearing to be of an intricate nature, and the Brethren of the Chh. not being generally present, it was thought fit to adjourn the meeting; and it is accordingly adjourned to Monday 31 of May instant, at 3 o'clock P.M.

Attest Elisha Fish, Pastor

Windsor, May 31, 1790

At a Chh. meeting convened by adjournment to attend to the complaint, mentioned above; but the said Prudence not appearing, and the meeting very thin, it was again adjourned to Thursday the fourth day of June next.

Attest Elisha Fish, Pastor.

P.45 After this there were several meetings of the Chh. concerning the subject, but no final conclusions adopted, till October 28, 1790; when, on account of the ground the Chh. had, from a variety of circumstances, greatly to suspect said Prudence to be guilty of the crimes laid to her charge, though they thought them not sufficiently proved to justify a censure, they unanimously voted to admonish her in a friendly manner, lest otherwise they might suffer sin upon her. The complaint and the admonition may be seen on the files of the Chh.

Attest Elisha Fish, Pastor.

Windsor, June 20, 1792

At a meeting of the Chh. to attend to certain difficulties subsisting in this place respecting Mr. Fish's support, the following votes past, viz:

1. To invite an Ecclesiastical Council to convene in the place on the fifth day of July next to give us advice,

and point out to us the path of duty in our present difficulties.
2. That the Chhs. of Stockbridge, Lanesborough, Pittsfield, Cummington and Partridgefield be requested to attend a mutual Council in this place, at the above time, and for the above purposes.

The Town, by their Committee, concured, in the above votes, Accordingly letters were written by the Pastor, in the name and behalf of the Chh. to the above mentioned Chhs. to request their attendance.

Attest Elisha Fish, Pastor.

According to the request of the Chh. by their letters, missive, the Council convened on the above mentioned day, and agreed on the following result.

At an Ecclesiastical Council convened at Windsor on the 5th day of July A.D. 1792, pursuant to letters missive from the church in said place, requesting us to attend to matters of difficulty and dispute subsisting between Pastor and People, and to give our advice relative thereto.

P.46

Mr. West was chosen Moderator, and Mr. Collins Scribe. The Council was opened with prayer by the Moderator, seeking to God for light and direction in the important business to be laid before us. The Chh and people then furnished the Council with a statement of the difficulties which have disturbed their peace and comfort. No one alledged any thing to the disadvantage of Mr. Fish's moral character or conduct. But from the representations made to us, we conclude that there is but a small majority of the Society in favour of his continuing with them

in the work of the minstry. It appears that there are a number who are opposed to his doctrine; some profess to be dissatisfied with his manner of preaching.

There are others who declare their approbation of his doctrine, preaching and conversation, who are nevertheless of the opinion that his continuing in the ministry among them will not lead to the peace and welfare of the Town, or serve the interest of religion therein.

On the whole it appears that there is a very great proportion of the Society who think that a dissolution of the pastoral relation is now become expedient and necessary. Mr. Fish also declares that he sees no prospect of his being comfortably supported in this place; that his stipulated salary is by no means adequate to that purpose, that he has no reason to look for any addition to his salary, should he continue here in the minstry. Though we are of the opinion that in case Mr. Fish should be dismissed, this Chh. and people would be left in a very deplorable situation, and that the prospect with respect to their future settlement would be very dark and discouraging; nevertheless we must say though with grief and reluctance, that the prospect of Mr. Fish's usefulness here, in his public and ministerial character which for a time appeared very inviting is now vanished. Our apprehension of the state of things in this Town, betwixt Mr. Fish and his people, is such that we are constrained to advise to a dissolution of the pastoral relation betwixt him and them.

The Council cannot but remark with concern and grief that there appears to us, in the opposition which is made to Mr. Fish, a disaffection to doctrine, and a disapprobation of sentiment, which we believe to be scriptural and of great importance. This consideration leads us to fear greatly for the interests of Christ's cause,

P.47 in this place, and the real and eternal welfare of those

who are opposed. We cannot but testify one approbation of this Chh. for their faithful adherence to the doctrines of the gospel, and kind affection to Mr. Fish, and for the love and harmony subsisting among themselves. And we cordially commend them, and also the society with which they are connected, to the mercy of God, and the care and protection of the great head of the Chh. hoping that they may put their trust in him, and praying that in his due time, they may be provided for and supplied.

We cheerfully and cordially recommend Mr. Fish as an able, faithful servant and Minister of Christ, and hope that a door, in divine Providence, may be opened for his farther improvement as a Labourer in the vineyard of the Lord.

And now he is hereby dismissed from his pastoral office over this Chh. and people in this place.

The above result is exactly and faithfully transcribed from the attested copy.

Attest Elisha Fish.

At a church meeting holden at the meeting house in Windsor, on the 25th day of Nov. 1793.

Voted, unanimously, to request the Rev. John Stephens to settle with us in the work of the ministry, & that the doings of the church be presented to the town, for their concurrence.

John Brown, Moderator.

At a church meeting holden at the house of Doct. Asahel Wright in Windsor, on the 20th of August, 1794: After some conversation relative to the resettlement of the gospel amongst us, Voted to adjourn till the 22 of the present

chose Deacon John Brown clerk of said Church; & voted that
it be our desire that Mr. Gordon Dorrance would continue
& preach with us a number of sabbaths from this time.

John Brown, Moderator

P.48

At a meeting holden at the meeting house in Windsor, on
the 27 of Oct. 1794.

Voted unanimously to give Mr. Gordon Dorrance a call to
settle in the work of the gospel ministry in this place,
& to lay the doings of the church before the town, to see
whether they will join with them in the same.

John Brown, Moderator.

The town having concured in the preceding vote, &
Mr. Dorrance having given a negative answer: the church
at a meeting holden at the meeting-house in Windsor on
the 6 day of April 1795.

Voted unanimously to renew their call to Mr. Dorrance
to settle with them in the gospel ministry; agreeably to
the feelings of the town, expressed at a meeting legally
warned, & regularly attended, at the meeting house in
Windsor, Feb. 23rd 1795.

Joshua Phillips, Moderator.

N.B. The reason of the church's vote baring a later date
than that of the town, is this; As the church had expressed
their minds & were unanimous in chusing Mr. Dorrance for
their pastor & as there was no room to doubt but what they
continued of the same mind it was thought unnecessary at
the time the town met for them to act upon the business
the second time.

Having received an affirmative answer from Mr. Dorrance,
the church met agreeably to appointment on the 7 of May
1795, & the following votes were passed, viz:

That an ecclesiastical council be applied to, for the

purpose of ordaining Mr. Gordon Dorrance to the pastoral care of the church of Christ in this place. Said council to convene on the 3rd of June next and that the Wednesday preceding be observed as a day of fasting & Prayer.

John Brown, Moderator

The churches applied to were the following, the churches in Stockbridge, Lanesborough, Pittsfield, Goshen, Cummington, Partridgefield & Dalton. Likewise the second church in Preston, under the care of the Rev. Mr. Hart, the second church in Mansfield, under the care of the Rev. Mr. Welch, P.49 And the church in Hampton, under the care of the Rev. Mr. Welch. At a meeting of the Church of Christ in Windsor, on Wednesday, Nov. 20th 1805. Unanimously elected by ballot John Brown to the office of Deacon in said Chh. which

appointment he soon after declared his acceptance of. At this meeting likewise, a complaint, brought by brother John Brown, against our brother Nathaniel Green, for long absence from public worship, & the ordinance of the supper, excepting in a few instances, was attended too. Individually as well as the church as a body, having had frequent P.58 interviews with him upon the subject, & finding him persisting in breach of cov't & refusing to make his peace & return to duty, under these circumstances, the church unanimously, upon the charge being supported, voted to excommunicate him, & this result be made public the sabbath following, unless there should be different feelings expressed by an offending brother, from what had been discernable or was then apparent.

Test. Gordon Dorrance, Pastor.

N.B. On the sabbath it was requested by the one under censure, that the decree of the church respecting himself should not be made public-he expressed a wish to see a converse with the church upon the subject, & consented to make a confession in public. This request was complied with. And on Wednesday the 4th. of December, the Chh. by previous appointment meet.

The offending member was present. As he had given encouragement so he was still willing at this time to confess his fault, and would consent to confess publicly, if required, although he felt & said, that he was dealt hard by; & that the crime, with which he was charged, absence from public worship & the ordinance of the supper, if persisted in, ought never to be followed with a separation from the church by excommunication.

There were other things said by him in the interview which were unpromising, & on the whole, such were the grounds in the view of the church to doubt his humility & repentance, a proper sence of duty, that the original vote of Nov. 20th respecting him was adhered to, & directed to be

made public the sabbath following, which was accordingly done. Further particulars relating to his case may be learnt by having recourse to the files of the church.

At a meeting of the church of Christ in Windsor, holden according to previous notice, at the house of the Pastor, December 2, 1813. After conversation among the members concerning the nature of a church & those regulations which are prescribed on the sacred page, for the careful observance of the professing godliness.

Voted 1. That a competent of visable christians, solemnly & mutially agreeing together, & engaging to walk together in the ordinances & invitations of Christ Jesus, is to be considered a visable gospel chh, & that a church so constituted was bound to exercise discipline & government according to the rules of Christ Jesus, to choose their own minister, receive & reject their own members, accordingly as they appear to be friendly to christ & religion.

Voted. That in case of difficulty or dissention in a church in matters of faith or practice, that it is advisable & scriptural to call in the assistance of Elders & churches, for advice & council, & pay all due deference & respect to them, although it is not judicial or binding.

Voted. That due care be taken in the admission of members, either new members, or those who come from other churches, that they be sound in the faith, of good character, & give credible evidences that they are friendly to Christ & his cause, that so they may all be of one mind.

In addition to the foregoing general resolves-
Voted likewise the following practical regulations.

1. That the Pastor's vote is esteemed no more than of a private brother, and that it is his duty to faithfully the votes of the church however contrary they may be to his private opinion or judgment.

2. That we will admit no person into our church, who does not assent to the confession of faith & covenant by us adopted, & who is not of a sober life & conversation, and further does not give evidence of a saving acquaintance with the mysteries of godliness, either in writing or by a verbal relation of christian experience before the church, or to a committee appointed by them to this end.

3. That we will not admit to full communion with us members of other churches barely on letters of recommendation as some churches do not esteem a visability of real grace a term(?) of communion, but such person shall be propounded two weeks, & we will endeavour to obtain satisfaction by private conference.

4. That we will admit members of other Chhs. Who may take up their residence with us to occasional communion for more than one year unless they can assign some satisfactory reason for omitting to remove their relation & to connect with the church where they reside.

As we look for morality in those who offer themselves to become members of the christian church, so it is especially

incumbent on the professed friends of the redeemer to cease their light to shine, & be examples to those before whom they walk,- therefore Voted.

5. That for scandalous offences or known omissions of duty persisted in, there shall be a readiness to confess & reform and this shall appear from making acknowledgment, either privately or in public, according to the nature of the offence, & circumstances under which it was committed. No crime is to be made public by confessing it, but offences known of the scandalous kind, or duly omitted to the harm of religion shall be acknowledged in the public assembly.
- 6.61 Says the Apostle "Them that sin rebuke before all, that others may fear"- and the nature of the case teaches that confession should be as public as the crime confessed.

Voted 6. That the above be our sentiments and regulations for the government of our conduct, with reference to our relation to the church of Christ- and that the articles come into & adopted by this church Dec. 17, 1783, recorded pages 42 & 43 of the church book be null & void.

At a meeting of the church of Christ in Windsor, at the house of Mr. Prentice, on Monday August the 14, 1815,

to attend to a complaint against our brother John Fobes, brought by Deacon Elijah Nash-the complaint is in the words following, three articles of charge, viz;

1. In proposing to fight with Mr. Royal Cooper at his store some time in the month of April last past, & in threatening to brake his rib, if he would consent to such an interview.
2. In declaring at the same time & place, that there was but one honest hearted man in town, leaving numbers, & hopefullly vermed (?) people & the members of the church, And whereas this & such like conduct is judged to be the effect, at least P.62 in part, of a too free use of ardent spirits therefore.
3. He is accused of drinking brandy at the above time & place, in too great quantity, so as to injure his mind.

After looking to God in prayer for wisdom & direction, the testimony in support of the charges brought against Mr. Fobes was heard. It was the united voice of the church that the first & third articles of charge were supported, that the second article was not supported according to the direction in scripture, there being not one witness present who attested to it. Mr. Fobes made some defence & as it was understood, that he wished to produce evidence that at the period of which he was complained of, he was insane, & the church voted to adjourn till Wednesday, the 30 day of the present month, then to meet at the meeting house at the hour of 2 P.M. to hear anything which he might think proper to offer.

Horris Ball, a member of this church, removed, with his family, from us, to Volney in the state of New York, in the spring of 1823, and never after applied for a letter.

P.65 We heard from him occasionally, & reports became unfavourable as to his christian character. The Pastor wrote to him, & laboured to effect a reform. In March 1829, the church in Volney, feeling that religion suffered from the irregularities of our brother Ball, wrote to us on the subject. The Pastor addressed a letter to him, & by vote of the Chh. requested the chh. in Volney to labour with Mr. Ball in a gospel way, & if without success, to take the steps pointed out in the word of God, & report to us the evidence of his sin & guilt. Whereupon in December following, we received information from the chh, that they had taken the steps of the gospel with him & charged him in the following particulars,

1. Of being guilty of the sin of intemperance.

2. Withdrawing from public worship &

3. Neglecting the ordinances, both for himself & children. Wherefore the church in Windsor, at a meeting regularly warned & attended at the house of the Pastor January 22, 1830, took the case of Mr. Ball into prayerful consideration, and in view of what had been done, in connection with the evidence, that the allegations with which he was charged, were supported, the church voted unanimously to excommunicate Horris Ball, & their doings were made public the subsequent sabbath.

- P.66 On the 7th of August, 1831, a letter previously received from Horace Ball, of Volney, State of New York, who had been excommunicated from the church, was read in the presence of the chh. & congregation in Windsor.

This communication contained a confession, which was full & encouraging. Mr. Ball condemned himself wherein he had done amiss, justified the church in dealing with him & in excluding him from gospel privileges, and as his hopeful penitence for intemperance & its attending evils was of some standing & accompanied with information in his favour from a reputable source, therefore,

On the 14th instant, Horace Ball, by vote of the church was restored to good & regular standing, and at his request, dismissed & recommended to the church in Volney where he resides.

Pursuant to letters missive from the Rev. Gordon Dorrance, Pastor of the Church in Windsor, & the church & people under his care, an ecclesiastical council convened at the house of Mr. Abiel Nichols in Windsor, on Tuesday the 15th of July 1834, for the purpose of considering the expediency of dissolving the pastoral relation of the Rev. Mr. Dorrance to that church. Present from the church in

Hinsdale	-	Rev. William A. Hawley, Pastor Dea. William Clark, Deligate
Lanesborough	-	Rev. Henry B. Hooker, Pastor Bro. Homer F. Robbles, Deligate
Pittsfield	-	Rev. John W. Yeomans, Pastor Bro. James Reed(?) Deligate

Mr. Hawley was chosen Moderator & Mr. Yeomans Scribe. The Council was opened with prayer by the Moderator. A communication was received from the clerk of the Society, by which the Rev. Mr. Dorrance requested the church & Parish to unite with him, in calling this council. The committees of the Church & Parish stated the doings of their respective bodies in relation to this subject.

- P.68 The council received further communications from the committees by which it appeared that the dissolution of Mr. Dorrance's pastoral relation was mutually agreed upon

by the parties concerned. And after mature deliberation in view of all the circumstances, the council came to the conclusion that in the providence of God it is expedient that the Pastoral relation of Mr. Dorrance to this people be dissolved, & it is hereby dissolved.

The council are happy to express their high & undiminished esteem of the Rev. Mr. Dorrance as a beloved father in the Christian ministry, & a fellow labourer in the vineyard of the Lord, & as such they recommend him most affectionately to the ministers & churches of Christ

The council would also express to the church & people in this place, their earnest desire & hope, that the vacancy now made in the christian ministry by the dismissal of your Pastor, will be of short continuance. Your experience of the benefits of gospel institutions will satisfy you all, that nothing can compensate, as a means of religious improvement & enjoyment, for the want of the constant labours of a faithful pastor among you. We exhort you to maintain perfect union, to cherish & express a firm & unanimous resolution to support every needful sacrifice, the preaching of the gospel, & to seek diligently for the man, whom providence may designate to be set over you in the Lord. May you be directed by wisdom from above, & blessed with the abundant effusions of the Holy Spirit, that you & your children may enjoy, not only the offer, but the actual possession of the comforts of religion in the present world, & in the world to come life everlasting.

P.72 At a church meeting legally warned and holden at the meeting house April 27th, 1855.

The meeting being opened by prayer by the Rev. Mr. Jennings, who also acted as moderator, Deacon Ephraim Ford presented a complaint signed by Ephraim Baldwin against our Brother Samuel Chapman Jr. for falsifying his word or lying, the witnesses in the case were as follows:

Isaac S. Pierce Testified that he heard Mr. Chapman say in the court house in Lenox it was dull business to be here and not know for what, I asked him if he blamed my Brother for wanting to get his pay.

Mr. Chapman says in reply I do not owe him.

Reuben Perce Testified that Samuel Chapman Jr. was indebted to him at that time by note to the amount of 75 dollars, or it would not vary from that sum one dollar one way or the other.

David Kellogg Testified that on enquiring of Sam. Chapman if he had made a compromise with Esq. Baldwin.

Samuel Chapman Jr. replies I went down to see Esq. Baldwin's workmen, not to compromise with him.

Ephraim Baldwin Jr. Testified that Sam'l Chapman Jr. came

down to his Father's and had conversation with him and his workmen, did not hear much of the conversation but from what I did hear I thought Mr. Chapman was trying to make a compromise with my Father, and I said to my Father I would not settle with him unless I could get what was about right.

Dudley Dana Testified that he heard Sam'l Chapman Jr. say he did not go down to see Esq. Baldwin's workmen, but to see Esq. Baldwin-and at another time on hearing the parties in Lenox, Mr. Chapman said to Esq. Baldwin-I never said a word about compromise but went down to see your workman.

P.73 Dudley Dana further Testified that in 1832, Mr. Chapman asked him if he could lend him 20 dollars and at another 50 dollars, and that Mr. Chapman has since declared he never asked him for those sums of money.

Mr. Chapman was further charged of having said to Esq. Baldwin he did not owe him anything, when he had in his possession a Note bearing date Oct. 30th 1829, of 100 dolls, signed by Samuel Chapman Jr. as Principal and Samuel Chapman as surity and a book account against Sam'l Chapman Jr. and company of 159 Dolls. unsettled.

Voted to adjourn said meeting to the 18th of May 1835.

Mr. Chapman was notified by Dea. Brown of the adjourned meeting and requested at that meeting to give a full and fair explanation to the above charges, that this unhappy controversy may come to a close, and he and the Church find rest and peace.

May 18th, 1835. The Church met agreeable to the above adjournment and heard what Mr. Chapman had to say to the above charges and then came unanimously to the following result.

Although we cannot say that our Brother is guilty of wilfully falsifying his word or lying-still there

seems to be some prevarication which reflects on christian character, and which in our opinion would be calculated to give the enemies of religion occasion to speak reproachfully and we indulge the belief that our Brother will cheerfully and cordially unite with us in our judgment of the case- and by subscribing this result to which we have come and the same being publicly read on the sabbath will give the Church the satisfaction that we think the gospel requires and continue to our Brother our covenant fellowship.

The Council was organized by chusing Rev. Mr. Hawley Moderator and Rev. Mr. Bisbee, scribe, and opened with prayer by the Moderator.

The Church then presented the record of their proceedings in reference to the case under consideration, to which Mr. Chapman gave his objections. It was then agreed by the parties that the council should proceed to investigate the case before them, proceeded accordingly to an investigation.

Oct. 23, Met agreeable to adjournment.

Opened with prayer and persued the investigation.

After a full and impartial hearing of the case from both parties, council adjourned to the house of Rev. Mr. Clark for consultation. After mutual deliberation upon the crime alledged against Mr. Chapman, the proceedings of the church in respect to the same and the evidence adduced in the case, they are unanimous in the opinion that the chh have given in this case too great prominence to a complaint from one not a member of the church, which ought not to have been done, it being their decided opinion that complaints of offence in members of the chh can properly originate.

nowhere else than in the chh itself. And the Council further express the opinion that there has not been in the prosecution of this complaint that just and scriptural regards to the rules of the gospel on this subject which ought to have been. It is their full belief that a careful adherence to the gospel rule of the 18th of Matthew is immensely important to the accomplishment of the great object of christian discipline. In regard to the charge of falsehood against Mr. Chapman, the council have unanimously come to the following result.

They have duly considered the complicated nature and peculiar circumstances of the various transactions upon which this charge is founded and especially that none of the points in the charge affecting so important a subject as christian character were attempted to be sustained only by single witnesses. Yet though this evidence is defective, we still believe he has departed from christian simplicity and Godly sincerity in various conversations relating to his pecuniary transactions. Under the influence of a anxious care to exhibit a harmless and blameless deportment, the council conceives he would have been more guarded and consistent in many of his expressions relating to the various points referred to in the accusation, they however have not been satisfied that there has been actual and deliberate falsehood, while at the same time they have seen what they must say without difficulty have led many to this apprehension.

We therefore cannot but consider that the church have occasion of grief that Mr. Chapman has not more carefully regarded the sovereign injunction to watchful & unblamable deportment. While therefore they would indicate their own sense of the propriety of the church in this and similar cases feeling an anxious jealousy over her own honour they would recommend on her part towards this Brother a spirit of christian affection and tenderness

and that charity which passes, endure and never fails.

We advise (blot.) solemnly and prayerfully his whole
R.H.C.

course, and we advise his public acquiescence in the following
acknowledgement.-

That he, under peculiar and trying circumstances in which he
has of (?) been placed, has been drawn aside from
gospel simplicity in various representations respecting his
pecuniary affairs, in view of which he would exercise the
spirit of humility and thus seek the renewed confidence of
his Brethrens.

The Council concluded by kindly and tenderly expressing their
earnest and prayerful desire for the peace and spiritually
prosperity of this church, and their hope that they will come
out of their present trouble quickened in all their members
in the divine life, and enabled to keep the unity of the
spirit in the bonds of peace.

Voted unanimously that the above be approved as the doings
of this council

Hume & Royal Cushing, who were appointed a committee on the part of the church to visit brothers Ansel Prince, Philo Wright, Seth T. Chapman & Levi Ford, were called upon to report. Brother Ansel Prince, Philo Wright & Seth T. Chapman stated to them that they are unwilling to join the society, because they may be liable to be taxed for that amount of property which they are indebted for but would be willing to be taxed for that which they really possessed. Levi Ford stated to the committee that he was unwilling to connect himself with the society as long as worked out.

The church voted to dismiss the subject for the present & to call it up as she may see fit, at any future meeting.

March 1 The Rev. R. Entler, the Pastor of this church, read a communication to the brethren of the same in reference to certain reports which Jotham Randall circulated and caused to be circulated injurious to his character viz: George R. Entler's.

In this communication he, the pastor, solemnly charged Jotham Randall, a member of this church in the 1st place with wilful lying. 2. Slandering his neighbor and brother, George R. Entler. 3. Violating his covenant vows.. 4th Insincerity, that is professing to have settled this matter on Jan. 4th. 5th. Disturbing the peace of the church, and circulating false reports, all of which was respectfully submitted to the church. The church appointed the 8th day of March at P.179 10 A.M. for Jotham Randall's trial.

March 8 The church according to appointment met today at 10 A.M. in the Meeting house. Dea. Clark Prince being Moderator of the former meeting, occupied the chair & called upon the Pastor to lead in prayer. After prayer Dea. Bates was chosen clerk of the meeting. The Rev. Mr. Knight of Peru being present, was elected Moderator of this meeting. The Pastor of the church stating that he invited Rev. Mr. Knight to be present, but had not told him the object of the same, Mr. Knight stating the same.

The question being asked whether the necessary steps according to Mathew 18th had been taken, the answer was they had.

Jotham Randall admitted that the first step had been taken by Mr. Entler, but denied the second. William Cady and Dea. Bates being present when the pastor had the second interview, stated that Mr. Entler told Jotham Randall that he should have no more private conversation with him, and that he would bring

the matter into church. Dea. Prince motioned that the second step had been taken, & the motion was put by the Moderator, and all but two members present voting in the affirmative.

Moved by Mr. Entler that we proceed to business.

Mr. Entler then called upon Abiel Nicols, William Cady, Charles A. Convers to come forward and take their oaths, and testify what Jotham Randall had told them. After their testimony was given in, Mr. Entler called upon Lawrence Clark and Henry Richardson, of Pittsfield, to state what they knew in regard to the matter under consideration.

Which the first witnesses said Jotham Randall told them. They stated they knew nothing as Jotham Randall had told Wm. Cady, Abiel Nicols and Charles A. Convers.

P. 180 See 2nd & 3rd pages of trial. Mr. Entler then called upon Wm. Reed to testify under oath whether the report which Jotham Randall circulated was true; he said that Mr. Entler & himself carried the past away, but as for anyone being present there was not, nor did he hear and conversation nor see Capt. Randall, nor his oxen & cart nor Claudius Hume.

See his testimony on 3rd page of the proceedings of the trial on file. Claudius Hume's testimony was given in under oath, see 3rd page of file of the proceedings of the trial, which is different from what Mr. Reed testified to.

Philo Wright, George P. Cady, Morgan Hall, Dea. Wm. A. Bates and Clarissa L. Entler gave in their testimony under oath.

See 4th & 5th pages of trial on file and likewise a paper not paged. The testimony being offered in on both sides, Mr. Entler made his defence, Jotham Randall making none. The parties being through with their defence, it was taken out of their hands, and put into the hands of the church for deliberation; no remarks being made. Capt. Prince moved that the charges be taken up and acted upon separately. It was carried. Capt. Prince also motioned, that the vote be taken by ballot, guilty or not guilty. This motion was carried.

The 1st charge made by Rev. George R. Entler against Jotham

Randall, that of wilfull lying. Voted-nine for sustaining the charge, and seven against.

The 2nd charge made by Mr. Entler against Jotham Randall is, slandering his neighbor and brother George R. Entler. Voted, ten for sustaining and five against.

The 3rd charge made by Mr. Entler against Jotham Randall was violation of his covenant vows; the charge was admitted by Jotham Randall.

P.181 The 4th charge made by Mr. Entler against Jotham Randall, was professing to have settled the matter on Jan. 4th 1850, and going around circulating false reports again. This charge was sustained by a vote of thirteen against three.

5th charge made by Mr. Entler against Jotham Randall, was that of disturbing the peace of the church. This charge Jotham Randall admitted.

Prayer was then made by the Moderator.

Jotham Randall was asked by Dea. Prince whether he had anything to say or concessions to make at that time. Jotham Randall said he was not prepared.

Motion was then made to adjourn to Friday of next week at one o'clock to this place. Adjourned accordingly.

Randall, he should bring it before the church.

After a request by J. Randall for rehearing, motioned carried to grant his request. There being doubts in the minds of some whether the present case of discipline has been regularly

Jotham Randall met Mr. Entler at his house this evening. Rev. Mr. Hawley was called into the study, the parties agreeing that he should be present, and the following confession Jotham Randall drew up and signed which is now inserted.

"To the members of the church of Christ in Windsor, Massachusetts.

Confess your faults to one another, is the plain command of scripture and a duty, which as a member of this church, I feel binding on me. My feelings, my duty and my life towards God and Man, have not been actuated as they should have been, by the Gospel of Christ. I feel that I have violated my covenant obligations, have disturbed the peace of this church, and have said things about our pastor to others, when I ought to have gone to him with them. Have grieved the brethren, especially, in those faults charged against me before the church, and thereby brought reproach upon the Gospel of Christ. I do hereby acknowledge these my sins, and humbly implore the pardoning mercy of God, through Jesus Christ, and earnestly request the forgiveness of my christian brethren and all whom I have in anyway injured. I do request an interest in your prayers, that I may be more humble, more devoted, and not left to fall into temptation, and thereby grieve the spirit of God."

Hume wished to know, at the suggestion of Mr. Entler if the following confession first read, included all the charges brought by Mr. Entler against Jotham Randall before the church? Mr. Hawley said the parties understood it to be so. Mr. Hawley asked Stephen (bapt #) T. Hume, if he moved that the confession be accepted, He said with the understanding that the confession (bapt #) embraced (bapt) all those charges he was satisfied, if not, he was not satisfied.

He gave as a reason that he lived so far from church and could not clothe his family suitable.

James Lawrence's testimony was as follows; Charles Cady was baptized late in the last Fall, by Mr. Brager near Mr. James Smith's in Dalton. Mr. Cady has told me he believed at death he would lay dormant until the resurrection--that the wicked would be burned up, that he did not believe in the articles of Faith in this church. Have frequently heard him exhort in meetings and always in support of the doctrine of 2nd Advents, told me had partaken of the sacrament at his own house administered by 2nd Advent teachers. Mr. Cady said the reason of his leaving this church and joining 2nd Advents, was simply that he had altered his belief, that he thought he was doing right, that he thought he ought to come up & tell this church wherein they were in error. Mrs. Malinda Lawrence's testimony was very similar to that of her husband and may be seen on file among church paper. (See next page)

P.193 Mr. Charles Cady not being present--the Moderator appointed Philo Wright to conduct the defence.

The testimony all being given in, P. Wright mad some remarks in behalf of Mr. Cady.

A vote of the church was called for and taken, and the church voted unanimously that the charges are all sustained. Voted that Charles Cady be suspended from further privileges of this church.

Voted unanimously the following admonition be adopted by this church in the case of Mr. Cady.

Mr. Charles Cady. Whereas you are guilty, convicted by sufficient proof of the sin of contumacy, of abstaining from Public Worship and observance of christian ordinances

with this church and have joined the sect of errorists known as 2nd Advents, having rec'd Baptism and the Lord's Supper as claimed to be administered by them, & holding with them the doctrine of the annihilation of the wicked, inequality of the son with the Father in the God head, it being also proved that you never fully assented to the confession of Faith of this church--We declare you suspended from the sacraments of this church, till you give satisfactory evidence of repentance--you are faithfully exhorted to consider the greatness of the sins here enumerated, especially those of rejecting the doctrine of the Bible on the future punishment of the wicked and the divinity of Christ and respecting the sacraments of the Church--and you are kindly entreated to view them in their true light and by repentance and Faith, return to Christ and duty.

Voted to Adjourn.

T. C. Perry, Moderator

Aug. 30

At a church meeting held this day, it was voted the Moderator be instructed to address a second admonition to Charles Cady. The following admonition was adopted, by vote of the church.

P. 194

2nd Admonition addressed to Charles Cady.

Windsor, Aug. 30, 1861, Mr. Cady--This church having at a former time, admonished you in view of certain charges duly sustained by evidence, and feeling under further obligation in this matter agreeably to Titus, Chap. 3rd 10V. have voted a second admonition--you are kindly but faithfully warned of the evil nature of those doctrines held by you respecting the Trinity, the ordinances of the New Testament, and the future state of the wicked, also of your sin of neglecting your duty and disregarding your connexion with this church, joining the sect known as 2nd Advents, also of the sin of disregarding the summons of this church to appear and answer respecting the charges brought against you.

You are further warned of the danger and evil of refusing and delaying to acknowledge and repent of these various sins, and are exhorted to immediate renunciation of the same, and return to duty.

T.C. Perry, Moderator.

Aug. 29 At a church meeting held Aug. 29, 1862, a motion was made by Philo Wright & seconded by Dea. Cushing that Mr. Charles Cady be excommunicated from this church, which motion was passed unanimously.

Sept. 28 At a church meeting a motion was made by Dea. Cushing and seconded by Abial Nichols that the decision of this church in the case of Charles Cady be made public, passed unanimously.

The following is the testimony of Mrs. Malinda Lawrence, which should have been inserted on page 192. Mrs. Lawrence testified that she witnessed Mr. Cady's Baptism by Mr. Brazer (?). I was also baptized at the same time. Mr. Cady said that the wicked would be utterly destroyed & burned up, that they would cease to exist after the final judgement. Have heard him speak in meeting twice. Mr. Cady had the meeting at his house, meeting called Advents Baptism in the name of the Father, son & Holy Ghost, & also spoke of the resurrection in this connection.

Confession of Faith & Covenants
 Adopted by the church Aug. 30, 1844

- Article I. We believe in the existence of one God, who is Father, Son & Holy Ghost, & that this God is a Spirit, infinite & eternal in all his attributes, & that he governs the worly according to an eternal plan in the exercise of perfect wisdom & benevolence.
- " 2 We believe that the Scriptures of the Old & New Testaments were written by Holy Man as they were moved by the Holy Ghost--that they form our only rule of faith & practice.
- " 3 We believe that God made man at first, holy & happy; but that by disobedience he fell from that state into a state of sin & misery.
- " 4 We believe that all men in their natural state are destitute of holiness & must be renewed by the Holy Ghost, before they can enter heaven.
- P. 201
 Article 5 We believe that the Lord Jesus Christ, being both God & man, has by his sufferings & death made an atonement for sin, & thus laid a foundation, whereby all that believe may be saved.
- " 6 We believe that all who are effectually called, will be kept by the power of God thro faith unto salvation.
- " 7 We believe that God has a church in the world, that ministers & deacons are its divinely appointed officers, & baptism & the Lord's supper its divinely appointed ordinances.
- " 8 We believe in the moral accountability of man, in the immortality of the soul, in the necessity of repentance & faith in Christ as conditions of salvation in a future judgment & resurrection & in a state of eternal rewards &

punishments beyond the grave.

Do you thus believe.

Covenant.

Believing ourselves called upon to profess our faith in Christ & enter into covenant engagements with his people. We do now in the presence of God & men avouch the Lord Jehovah to be our God & Father, the Lord Jesus Christ to be our only Savior & the Holy Ghost to be our Sanctifier. And we engage, taking God's word as our only rule, to strive to walk in all his commandments & ordinances blameless.

In particular we engage to keep our hearts, with all diligence, to maintain watchfulness & self examination sobriety & temperance, the reading of the Scriptures & secret & family prayer, to keep the Sabbath day holy, to attend upon the stated ministrations of the gospel, to do our part in maintaining public worship, & to bring up our children in the nurture & admonition of the Lord

P. 203 We covenant with God & this church to seek its peace & prosperity, to attend upon its ordinances & stated meetings, to maintain & submit to christian discipline, to walk with its members in christian love & faithfulness, and denying ungodliness & worldly lusts, to live soberly, righteously & godly in this present world looking for that blessed hope & the glorious appearing of the Great God & our Savior Jesus Christ, who gave himself for us, that he might redeem us from all iniquity, & purify unto himself a peculiar people. zealous of good work,
